

REMARKS:

This amendment is filed to bring the claims in line with the Decision on Appeal in this case, decided on April 30, 2007.

In the Decision on Appeal, the BPAI reversed the Examiner's rejections to claims 24 and 25. Applicants have amended independent claim 23 (and hence the remaining claims of the application) to included the limitations of claim 24 and have canceled claim 24. Applicants have also amended claim 25 to make it dependent on claim 23 rather than on now canceled claim 24. No other amendments have been made and no new matter has been added.

Applicants submit that all claims of the present application are now in form for allowance and such action is earnestly solicited. No fee is believed due with the filing of this amendment.

Respectfully submitted,
